

Down East Research and Education Network

Welcome to CONVERGENCE 2013

*Landscape-Level Conservation in Down East Maine:
Collaborating for Strategic Effectiveness*

CONVERGENCE:

- a network of complementary activities drawn to a region by its primary assets.

Landscape Level Conservation

- Also called Large Landscape Conservation. Generally defined as conservation which crosses multijurisdictional, multipurpose, and/or multi-stakeholder boundaries.

Today's Format

- **Goal:** how can DEREN members work together creatively, strategically, and with measurable effectiveness to conserve and support the Down East landscape
 - Five Speakers
 - Panel Discussion
 - Group Discussion
 - Poster Session

Generously sponsored by

Frenchman Bay Conservancy

And

Maine Community Foundation

Elmina B. Sewall Foundation

and Davis Conservation Foundation
